To whom it may concern,

I am pleased to provide this reference to Archtrade LLC. As a Head of Finance and Administration of EY Georgia I had the pleasure to work with this company over the past 2 years.

Archtrade team has provided products and services to us and had successfully met our requests on every occasion. They truly understand what it takes to maintain successful relationship with their customers. Their experience, professionalism and leadership position in the sector have significantly contributed to successful implementation of our ambitious real estate projects.

During our cooperation, Archtrade offered us complex solutions to include products (partitions systems, lightings, carpets, furniture and accessories), services as well as reliable aftersales services. All the tasks were fulfilled professionally and always in time!

We are thankful for the great work Archtrade did for us and would highly recommend them to any other organization that considers purchasing products and/or services Archtrade can provide.

Sincerely,
Irma Kharebava

Head of Finance and Administration
