

FincaServices-Eurasia is pleased to be the referee of Archtrade,

As Archtrade has provided our company with creative decisions regarding office space planning, creating nice efficient ergonomic environment and timely provision of furniture and all the related services.

It is noteworthy that Archtrade team has clearly understood our needs and requirements, offered us multiple options and thoroughly performed all the obligations regulated by the contract.

I recommend Archtrade to any company willing to purchase a high quality office furniture with all the related services.
