The Hague, 15 June 2015

With reference to: letter of recommendation

Dear Mr. Matua,

Hereby the undersigned declares, as representative of the client the Ministry of Foreign affairs of the Netherlands, that Archtrade LLC has fulfilled her job-related activities for the project New Embassy in Tbilisi to satisfaction. The collaboration with Archtrade resulted in the realization of the project while all requirements of quality, planning and budget have been taken into account. Archtrade is an excellent partner in the area of construction/renovation/fit out works. The company is reliable as a contractor, their leadership and management skills are added benefit to any project execution.

The project New Embassy in Tbilisi consisted of the construction and built-in of the Embassy of the kingdom of the Netherlands in Tbilisi. Archtrade's team has provided services meeting our request on every occasion. Truly understanding what it takes to maintain a successful relationship with their customers. Archtrade realized the project in a very short time and available budget. Despite the time constraints Archtrade has been delivered a high quality. The presence on the spot of motivated and qualified specialists have ensured there has been no delay occurred.

The client has been very satisfied with the company and fabulous work they provided
